

Location

○ Arrival Information

The Incheon International Airport(IIA), in the city of Incheon, is the biggest and the main international airport in Korea.

It is an about 3-hour drive to IS-Geo of KIGAM. For more information on transportation from the airport to Daejeon City, please visit the IIA web site, <http://www.airport.or.kr>. (Select language→ Click bus→ Destination choice(Chung cheong)) All fares are payable KRW only.

Since taxi fares from Incheon International Airport to IS-Geo are quite expensive, we recommend the Limousine Bus from the airport to Daejeon City and transferring to a taxi at a bus stop (Daejeon Jeonboochongsang station - Government Complex)

Please refer to the following list of possible transportation routes to IS-Geo.

○ By Limousine from Incheon International Airport to Daejeon City
