

LAO PDR
COUNTRY PRESENTATION

Outline

1. Application of the CCS Guideline/methodology - what are the challenges solutions.
2. Where is CCS in your country's recent commitment/pledge in the last COP21 and its implementation (if any)
 - What are the needs of your country to meet the COP21
3. Specific technical needs to be addressed in the CCS-M program, according to priority.
4. Recommended experts to be invited and for what specific expertise.
5. Recommendation/suggestions for future activities.

THANK YOU
